## Greetings from the Editor

**Nancy Alligood, CTC**

Warwick Travel Service was established in 1975 on Warwick Boulevard by Paul and Mary Ward. It originally opened as Ward's Travel and was later changed to Warwick Travel Service, Inc.

In 1989, Paul and Mary Ward sold it to several local investors. In 2006, two of the investors became co-owners of Warwick Travel - Nancy Alligood and Gerry Siekirski.

In 2009, Warwick Travel acquired an agency in Williamsburg which became a branch agency for 11 years; however, during the World Pandemic, the branch was closed, and everyone moved to the Newport News office.

Warwick Travel remained on Warwick Boulevard for 48 years serving the local community and points beyond.

In January 2024, Warwick Travel relocated to Jefferson Ave. where it is beginning a new chapter – a new beginning for Warwick Travel Service!

Our new address is Oyster Point Commons - 11717 Jefferson Ave., Suite B, Newport News, VA 23606. Please give us a call at 757-599-3011.

Our team of seasoned Travel Advisors will assist you with your travel dreams.

# Clients Corner

**Diane & Joe Gray

Emily, the Boston trip was awesome! We loved the location of the Sheraton hotel. The rooms were perfect, we were on the 17th floor, and we couldn't hear anyone in rooms nearby. The service at the Sheraton was good also - the concierge was helpful with any questions. We walked everywhere because everything was so close and very SAFE.

Lots of different restaurants were within 3 minutes of walking of our room. The hotel connects to the Prudential Building, which has a high-end mall. There's a grocery market across from the Prudential building if you need anything.

We ubered to the Hockey game, and it's the only time we needed transportation (except to and from the airport). Thanks so much for booking this for us!

Norway is a Scandinavian country encompassing mountains, glaciers and deep coastal fjords. It shares a long land border with Sweden and is also bordered by Finland and Russia to the northeast, with an extensive coastline facing the Atlantic Ocean and the Barents Sea.
